Please take a moment to visit the Region 12 Website, nawic.net

You will find lots of information about what is going on in our region.

You can also find out national information on nawic.org. If you are a member you can access lots more information to make your career a success.

Our general meetings are held at Taix French Restaurant, 1911 Sunset Blvd., Los Angeles, 90026. on the 3rd Tuesday of the month.

I hope you all have had a pleasant holiday. Mine was very busy with preparations for family that we had staying at our house. Always a challenge when you are working!

If you missed out December meeting you missed a fun time making holiday gift baskets for shelters and our annual ornament exchange. We had some guests present at our meeting and hope that we will have some new members from our visitors.

Traditionally, the NAWIC year gets into full gear about this time. We have our Winter Conference on the 23rd in Arcadia.

Our major project of the year has the second planning meeting on the 13th at Cummings, 660 S. Figueroa St., Ste 900, Los Angeles, CA 90017 at 7:30 pm. The iSEE project planning for LAUSD is open to all members, and in fact, it will take all our membership to accomplish this project.

Our next meeting is a join meeting with ACEE (Cost Engineers) and the topic will be Assisting Companies Ride the Economic Wave.

Be sure to sign up for Day at the Races

on March 13. This event is the major fund raiser for our chapter. The ticket includes lunch and parking. This is a chance to bring your co-workers and friends to a great day. Everyone counts!

Also, mark your calendars for April 23rd and 24th which will be the dates for Forum in Long Beach at the Hilton.

Participating in NAWIC is just like voting - as your vote counts so does your presence count.

Get involved.
